

SCOREscotland GREEN FUTURES PROJECT

Who is this for?

SCOREscotland Green Futures Project is for members of Black and Minority Ethnic Communities in South West Edinburgh

- Do you feel **cold in your home** most of the time?
- Does **the cost of your fuel bill** worry you?
- Would you like to understand your **energy bill costs** and **meter reading**?
- Do you drive a car and want to **save money** on the **cost of fuel**?
- Would you like to sign up for a **free fuel efficient driving lesson**?
- Do you want to **learn how to cycle**?
- Would you like to **walk more in your community**?
- Do you want to learn more about **Climate Change** and find out more what you can do to help?

If you said yes to any of the above, please contact us for more information, learn more on how to make your house more fuel efficient, warm and save money

Volunteering

Have you got a few hours to spare each week? Would you like to volunteer with us? We have great opportunities for you to engage in, lots of new skills to learn and meet new people. Please come to our offices for a chat to find out more.
