

Folk of Westburn - got a tale for the WHALE?

Is this your hood?

We've got a new project at WHALE celebrating the community of Westburn.

Using photography and words, we're putting together an exhibition of portraits.

Would you like to be in it?

There are two parts - an interview with our student journalist to hear your stories, and a portrait photo shoot with our pro photographer. It's totally up to you what you would like to talk about, and be photographed with.

The exhibition will be launched and displayed in the WHALE Arts Centre in June.
