DO YOU WANT TO BE A COMMUNITY REPORTER?

The Digital Sentinel is on the lookout for **community** reporters.

The Digital Sentinel is the community news site for Wester Hailes and we would like to take this opportunity to remind everyone that they are free to send information on their activities and events. Also, anyone is able to submit a story through our newsite at any time and we would recommend this as a way to reach out to the community and share positive news stories and events.
