

smilechildcare

We are currently recruiting for 2 qualified Practitioners to join our childcare organisation based in West Edinburgh.

smilechildcare's Mission Statement

Children need high quality childcare to grow up to be healthy well-developed adults.

smilechildcare provides high quality, inclusive, affordable childcare for children aged 0-12 years in safe and nurturing environments where there are no barriers to accessing our services whilst meeting the needs of each child and supporting their families. We work in partnership with other agencies enabling families on low income or accessing further education to secure and sustain long term employment helping to break the cycle of child poverty and deprivation.
