The Reading Agency and Libraries Present

Summer Reading Challenge 2019

Summer Reading Challenge 2019:

Space Chase is on from 22nd June at Balgreen, Fountainbridge, Balerno, Colinton, Currie, Oxgangs, Ratho, Sighthill and Wester Hailes Libraries

Prepare for lift off as we travel across the galaxy on a very special reading mission...

Meet the Rockets! This super cool family lives on a satellite station in space. They love spending time at their local library on the Moon.

But wait! All of a sudden, books have started to disappear from the Moon Library, and soon there won't be any left...

A mysterious ship has been spotted on the radar – could these naughty aliens be behind the trouble at the library?

Taking part in the Challenge is simple – sign up for free at your local library any time from 22nd June!

You'll receive your very own Space Chase mission folder to get you started.

Read six library books (or more!) over the holidays to collect special stickers to add to your folder.

Collect all the stickers to find the aliens, save the missing books and complete the Challenge: then collect your medal and certificate.

Grab your space suit and take a giant leap into the library this summer!
